

Correction

Dr. Pongsak Noipayak has informed the editor to correct the text in the article “The Ratio of 2nd and 4th Digit Length in Autistic Children” published in J Med Assoc Thai 2009, Vol.92, No.8, page 1040-5 as follow:

from The ratios of 2D:4D of both hands of autistic children were higher than non-autistic children.
to The ratios of 2D:4D of both hands of autistic children were lower than non-autistic children.
in the Conclusion of Abstract in page 1040
